

**SAFE SIGHT DISTANCE TRIANGLE AFFIDAVIT**

Job Address: \_\_\_\_\_

It is understood that fences and walls that obstruct vision may not exceed 2 ½ feet in height when located either within ten(10) feet of the edge of any driveway leading to a public right-of-way, or within the SAFE SIGHT DISTANCE TRIANGLE as defined in Section 33-11 (b) of the Miami-Dade County Code. I further acknowledge that the issuance of this permit shall not be construed as permission to violate any provisions of the Zoning or Building Codes.

Additionally, an As-Built Survey may be required by the Division at the Owner's expense, if there is a concern that the fence or wall encroaches on neighboring properties, easements or Public-Right-of-Way.

Please be advised, if violations are found to exist, that Florida Statutes and local ordinances allow for the issuance of tickets resulting in a daily running fine until compliance with all applicable codes is met (Chapter 8 CC of the Miami-Dade County Code).
